

## Resolution on the terrorist attacks in North Ossetia

---

*Adopted by the General Assembly,  
Madrid, Spain, 11-13 November 2004*

We condemn the terrorist attacks in North Ossetia, which resulted in the death of hundreds of children and express our solidarity with Russia.

We strongly believe that political leaders all over the world have to take active steps in order to prevent terrorism.

Therefore, we ask the Bureau of the European Youth Forum, in co-operation with its member organisations, to prepare policies on this issue.
